Help Keep Music Alive

 **canadian
SINFONIETTA**
CHAMBER MUSIC FOR EVERYONE

Friends of CS Fundraising Campaign 2017-18

Each year over 5,000 people enjoy the orchestra performance's given by the Canadian Sinfonietta and the Canadian Sinfonietta Youth Orchestra.

Each year the response is tremendous. Our audience value our performances and appreciate the importance of having an orchestra in our community. We know you understand that importance as well !

The Canadian Sinfonietta is a non-profit organization since 1998. 2018 is our 20th year milestone. During the years we have grown our budget, increased the orchestra personnel and given back to our community through our youth and education programs. However, we can never stop fundraising and we need to keep building. We hope you will help us. With your support we can maintain a vibrant arts community where music is available to everyone! Your support is essential to the livelihood of the Canadian Sinfonietta.

Thank you again for your continued support.

Your donation will not only continue to support our Youth Mentorship Program and provide performance opportunities to many talented young musicians, but will also help the Canadian Sinfonietta do our part in keeping  music alive in Canada.

Please accept my donation for Canadian Sinfonietta
